**Transfer of Designated Allocated Tag(s)**

**Instructions**

This form may be used to transfer a designated allocated tag(s) to another outfitter for use in the same hunt for a single year. The transferring outfitter will retain credit for the use of the designated allocated tag for purposes of the Board's designation of allocated tags after the next big game season setting. You may also accomplish the transfer by emailing the hunt information to the email address below and copying the other outfitter. The other outfitter must confirm the transfer with the Board Office.

Submit your signed form by one of the following:

Email: [oglb-allocation@dopl.idaho.gov](mailto:oglb-allocation@dopl.idaho.gov)

Mail: PO Box 83720, Boise, ID 83720-0064

The transfer of a designated allocated tag does not change the *receiving* outfitter's responsibility to follow the Idaho Fish and Game Department's process to verify use of the tag by the *receiving* outfitter.
